

Go Beyond

Help us to help our students "Go Beyond" the basic school curriculum and have some fun. The Site-Based Management Team is looking to start an after school activity series for students of all grade levels. Some ideas for after school classes could be:

Learn To Juggle

Engineer A Bridge

Basic Balloon Animals

Snow-shoeing (the school has a set of 25)

Astronomy/Constellations

Other: _____

We are looking for many more of your fun-filled and educational ideas for this series. Each session would run as a one-time event from 3:00-4:00 after a school day. The sessions would be designed to give students a quick introduction to a skill, activity, or subject of interest.

If you feel that you could help us out with ideas or participation, **please fill out the form below and return it to Mr. Reardon as soon as possible.** We will then work out a schedule that is good for the volunteers who can help with a given session.
